**“Welcome to Dogwarts” Quidditch Tournament is the Perfect  
Mash Up of Harry ‘Pawter’ Fans and Pet Lovers**

*The Craft Hall event in partnership with PSPCA welcomes dogs to compete for the cup.*

**(Philadelphia) – April 5, 2023...** Calling all muggles with puggles, you are formally invited to attend one of the most competitive Quidditch matches at Dogwarts, the school for good boys and good girls. Bring your pups to Craft Hall to fetch the golden snitch and win points for your house, while drinking potions handcrafted by our professors of the Bark Arts, with proceeds benefiting the PSPCA.

“Welcome to Dogwarts,” a quidditch tournament for good boys and girls in partnership with the Pennsylvania Society for the Prevention of Cruelty to Animals (PSPCA), is happening Sunday, April 30 from 1 to 4 p.m. The sorting hat ceremony will begin at 1 p.m. and puggles of all sizes are invited to attend but must be 45lbs and under to participate in the match. The sorting hat will place each dog into their proper house, then let the competition begin!

In addition to the quidditch match, there will be special backdrops and magical decor to take photos with your furry friend for the full Dogwarts experience. Muggles can also enjoy delicious potion specials so good it's hard to keep your Raven-claws off of 'em. With each potion purchase, the PSPCA gains a point (\$1) towards their Dogwart house.

The fantastic beasts can be found competing inside, but Craft Hall's hybrid dog park and outdoor beer garden is just as magical. Unleashed: Bark & Beer will be open to use Moaning Myrtle's bathroom or just get up to no good.

This is for every dog's safety and protection, so they can run free with no worries. We can't wait for you and your furry friend to attend any and all upcoming dog events and visit our unleashed dog park.
